New Product Guide from Ixell !

Ixell's brand new Product Guide will shortly be landing on your desk! The new-look guide contains all the product information you need on our entire range of paint and consumables! What's more, the technical data sheets for our key products are also included.

There is also a section dedicated to the Ixtar valeting range making our guide a real one-stop solution for every bodyshop's needs!

The product guide is broken down into sections according to product type:

-  Topcoats & Clear Lacquers
-  Surface Primers & Etch Primers
-  Body Fillers and Stoppers
-  Anti-chipping Compounds, Sealers and Adhesives
-  Abrasives, Masking & Protection
-  Welding & Panel Fitting
-  Quick Repair Systems
-  Windscreen Repair & Replacement Systems
-  Equipment & Hygiene

> Look out for your copy arriving in May!
